My heartfelt thanks and appreciation for the board members and team members who came out, worked behind the scenes or simply spent their money at the fundraiser held on August 16 at the Keehi Lagoon's Weinberg Building.

Can I say how awesome it was to see friends I have known since the 7th grade and have not seen since high school graduation! If that does not validate Tails of Aloha, I don't know what does!

Special thanks to the

awesome musicians:

Barry and Victor for being our opening musical act and laying the groundwork for the evening.

The Campfire Cowboys featuring Jerry Rabago of Dent Doctors for the down home music we have had nothing but raves about!

Mahalo to Miller mobile DJ services for their awesome system!

A few of the Vendors

Hope to see you next year!

Special recognition to our HPD officers, Sharon Walden and Eric Yosemite who donated their time at the event!

We could not have been more fortunate to have the support of all our old and new friends...our Furrever Friends!

# Rainbow Bridge

It is with great sadness we announce the sudden passing of one of our therapy cats, Chucky. Amber and Chucky was a constant visitor at Kaiser Moanalua's long term care center for three years.

We will miss him dearly.
